Find your next quest.

Fantasy Online 2 is a persistent 2D pixel-art MMORPG from Pixel Games LLC. Journey from Noob Island to the gates of King's Keep, take on bosses, craft equipment and trade with other players. Shape your character through equipment and skills, then adventure solo or join parties and guilds. The same account, characters and progression carry across Android, browser and Steam, so you can pick up your adventure on another supported device.

GROUP COMBAT IN THE TEMPLE OF LOST SOULS

TOGETHER

Your kind of hero.

Party up, take on bosses and build a place for yourself in a shared world.

01

Explore

Follow quests from Noob Island to King's Keep, with monsters and bosses along the way.

02

Build

Shape your character through equipment and skills, then craft, collect and trade.

03

Connect

Join parties and guilds. Keep your characters and progression across supported devices.
